

WHAT IS GLASGOW HARBOUR?

It is an urban regeneration development.

Glasgow Harbour is a mix of offices, homes, shops and leisure facilities.

There will also be parks and public space, and riverside walkways. It will also have the city's new Transport Museum.

WHERE IS GLASGOW HARBOUR?

Glasgow Harbour is between the Clyde Tunnel and the SECC.

WHY GLASGOW HARBOUR?

Glasgow Harbour was built because the land was disused shipyards and docks.
