**P7 – S1 Transition**

Dear Parent / Carer,

We all find ourselves in a very challenging situation at the moment and I am aware that parents/carers and young people will be feeling anxious in relation to education.

I would like to reassure you that at Springburn Academy we will do everything that we can to support our young people and their parents/carers as they move from primary 7 to secondary school. At this stage in the school year we would normally be well underway with the final stages of our Transition Programme. Clearly, the situation is not normal, however I want to assure you that we remain excited to welcome our P7 young people into S1 when the time comes and I would ask that you share the contents of this letter with your child.

We had already embarked on our Transition Programme with our P7 Open Evening in September 2019, pupil visits with their P7 classes during November/December and Pupil Support staff have been visiting their link Primary Schools throughout session 2019-2020 to meet with your child in their primary class and gathering transition information through speaking with their P7 teacher.

We wish to continue to support your child’s transition and we are working across the Springburn Learning Community to find ways of doing this safely. All of the information, support materials and transition tasks will be uploaded to our school website:
